Letter

To

The Divisional Commissioner,
Belgaum.

No.S 105/7/391. Karwar, 30-7-1958.

Subject: Land: Kanara
Village Naxe, taluka Sirsi ..
for school building ..

Reference: Your letter No.RB/LND SR-282 dated 7-4-1958.

In submitting the papers of the case received under the Sirsi Tahsildar's endorsement No.TRB 4572 dated 16-7-1958, I have to state as under on the points raised by you in your above quoted reference:

1. The school construction committee, Naxe, is a recognised one and it is receiving grant-in-aid from the School Board (vide Administrative Officer, D.S.B's endorsement No.3449 dated 28-10-1957 at page 100).

2. At present, the Committee has not got any layout plans or site plans prepared for the school building. The Chairman of the Committee has stated that he has not prepared any such plan as the possession of the area has not been given to him(vide page 119) so far.

3. It is reported that the financial position of the Committee is sound enough to be able to construct the building (page 125).

4. It is reported that an area of 20 gunthas is required for school building purpose and one acre for the purpose of play ground.

In view of the orders contained in foot notes (para 71(ii) below rule 32 of Land

P.T.O.

5

Revenue Rules(by Anderson), the site will have to be granted under rule 32 only, as the area required both for building and play-ground purposes is contiguous to each other.

5. As regards the unauthorised construction put up on 10 gunthas land by the Chairman of the Committee for his own residential purpose, it is reported that a separate correspondence in regard to the encroachment of the area in question has been started. The question of penalising him for this purpose is being taken separately(page 126).

6. A hand sketch showing the areas required for school building and play ground in distinct colours with the detailed explanatory notes is enclosed for perusal at page 121.

Early orders from Government, in the matter, may please be obtained.

(M.S.Shankara Rao)
Deputy Commissioner, Kanara.

2. As the revenue-free value of the site (1-20) proposed to be granted to the School Committee is reported to be Rs. 622-8-0 only, it is within my competence to grant the area under Bombay Land Revenue Rules 1932. Government may therefore kindly accord its approval to the disforestment of the land in question.

3. The papers of the case may be returned to the Deputy Commissioner direct for taking further action in the matter.
